## BASE Class Starting in Colo

We are thrilled to be bringing a well-loved exercise class to Story County! Our BASE class (Balance, Agility, Strength, and Endurance) has been running successfully in Hamilton and Webster Counties for over 10 years. The city of Colo has welcomed our first class in Story County, which started December 9 with 21 individuals participating! It was a wonderful turnout and the participants expressed appreciation for the opportunity to have this class available to them.

The BASE class in Colo is facilitated by RSVP volunteer, Susan Hayes. Classes will be held twice a week at the Colo Methodist Church. We are grateful to the church for providing the use of this space for the class.

If you would like to see a BASE class start in your community, or if you are interested in becoming a BASE leader, contact us at (515) 733-4917!

*Your 2026 calendar is enclosed!*

If you receive an e-newsletter, please stop by one of our offices for your calendar.

## What People Are Saying...

*"I feel good about being able to get food boxes delivered to the people they (The Salvation Army) serve. I feel I am gaining insight to more parts of the Ames community that I didn't know about. It is good to see that there is a "social safety net" in place that serves to help out our various neighbors"* - **Ames Volunteer placed by RSVP**

*"Driving for RSVP is as much a blessing for me as it is the client. It is fulfilling to be able to provide such a valued service to those in need in our community."* - **Steve Johnson, RSVP Volunteer Driver - Ames**

*"The BASE Senior Fitness program provides the opportunity for community members of any age to participate in a structured, scheduled exercise program each week. The program is beneficial for overall health and wellness with the exercises geared for balance, endurance, stretching, and mobility. When attending classes, I notice the participants modifying the exercises to suit their own physical capabilities and confidence level. It is a great opportunity to meet new people and establish lasting friendships as well."* - **Susan Quade, PT - Manager of Rehab Services, UnityPoint Health, Trinity Regional Medical Center**

*"Nevada Food at First is volunteer-driven and serves households in six communities in Eastern Story County. Our RSVP volunteers build relationships, pick up food donations, partner with other volunteers, prepare and pack free carry-out meals, organize food for distribution at area food pantries, and connect local residents to nutritious food closer to home. They are the duct tape, screws, zip ties, velcro, and magnets that keep the cogs of our food access system operational!"* - **Barb Mittman - Community Meal Coordinator, Nevada Food at First**

# A note from Karen... :: Cheers to RETIREMENT! ::

Over 36 years ago, I began what I thought was a new job; but what I was really beginning was a journey. I had a lot to learn! I didn't know then that being a part of this amazing organization would ultimately be my life's work (professionally speaking), bringing me so many rewarding experiences as I developed an immense appreciation for the mission and work of RSVP. It had my heart.

I am so humbled to think about all of the incredible people, past and present, I have been privileged to know because of RSVP...amazing volunteers, co-workers (the best staff in the world), colleagues, fellow RSVP Directors, our Board of Directors, Advisory Councils, and many other RSVP supporters. Thank you, thank you, thank you!

Special thanks to Connie Clark, my amazing predecessor (and the person who hired me). I am also very grateful to my husband Scott (who has always supported my career and has been a trouper about being signed up for things he was unaware of) and for my daughter, Shelby, who has literally grown up with RSVP and has always been my cheerleader.

Even though my Mom, Mary O'Neal, passed away in 2012, I want to acknowledge her. She loved what I was doing and never missed an opportunity to support my work. She could even be talked into making 30 lbs. of potato salad for fundraising events, more than once. She was my biggest fan and knowing I made her proud was the icing on the cake.

## 2026 calendar

Most importantly, my thanks to God for his faithfulness in my life and for being there when I celebrated professional victories but also when challenges and losses brought me to my knees. The good times and "not so good" times were part of my personal and professional growth journey, experiences that have taught me valuable life lessons. I have been so very blessed because of RSVP but my journey doesn't really end. I look forward to transitioning from Director to Volunteer! The pay isn't as good but, I can say "No" whenever I want!

I am excited about the future of Central Iowa RSVP! It is in great hands with the leadership of Laura Severson and staff, the support of the SCSC, Inc. Board of Directors, RSVP Advisory Councils, the incredible RSVP volunteers, and more.

Love to you all!
